Booth Staging & Operating Requirements

9. Booth fee includes 2 vendor passes. Wristband passes may be purchased for \$5. Badges must be worn at all times while on the premises.
10. **Booths and staging are expected to be creative and thoughtful--neat in appearance, stocked and staged. We do not want a "craft show" look, but rather a mini-boutique feel inside each space. Do not over stock and provide ample walking space for shoppers. You may restock throughout the day.**
11. Backdrops or partitions are not provided. Vendors must bring their own. If you must use folding tables, they must be covered and skirted on all 4 sides (if storing underneath). No nailing into any walls of building structure.
12. Do NOT exceed your booth boundaries. Plan accordingly. Your checkout area, merchandise, vendor seating and all displays must be kept within the designated space. All back stock, moving equipment, and packing products (boxes/tubs) must be stored out of sight. Keep aisles free and clear.
13. Assist customers with loading merchandise and provide customer service.
14. Be aware of and take action to prevent shoplifting from occurring. You are responsible for your property.
15. **New merchandise shall not exceed more than 20% of your booth inventory.** Paint is exempt from this rule. Merchandise must be clean, in good condition, clearly priced, and in season. No selling any offensive/dangerous merchandise.
16. Keep a working household fire extinguisher accessible in the booth at all times in accordance with fire codes. Highly flammable items are prohibited by the Fire Marshall. Smoking is allowed outdoors in designated areas.
17. No early (pre-show) customer sales as a courtesy to other vendors and VIP Admission Attendees. Discounts may be offered on merchandise during the event, but NO clearance or reduced prices signs allowed.
18. A local coffee shop will be on site with hot/cold beverages and light snacks during the event for purchase. For this reason, no food may be sold at your booth. A lunch may be available for purchase each day; otherwise, vendors are responsible for providing their own food for meals.
